## TGB QUAD BIKES

POWERFUL, RELIABLE AND TOUGH AS NAILS

These inherent traits are in the DNA of every TGB ATV.

TGB is recognized as a frequent winner of the ATV of the Year title in Europe and now when a lot of other manufacturers have decided to bail from the safety requirements for Australia, TGB is committed to providing a quality ATV at an affordable price while fully complying with the new ACCC safety regulations.

All Sporting CVT Transmissions, Front and rear Independent suspension, Selectable 2wd, 4wd and Diff lock (Electronic power steering on the EPS models)

### WHAT YOU DON'T GET

- Hassles of managing cash flow on servicing
- Worries of not having extended warranty
- Coverage for things that get bent - yep oops! is not covered.. That's what insurance is for.
- Additional maintenance coverage or repair for wear and tear to items such as tyres, light bulbs and drive belts.

“TTMI 4x4x4 offer enabled me to set out my cashflow budget for the next 4 years, plus I get the savings of 17% on my servicing.”

### WHAT DOES IT COST TO GET?

Your salesperson will be happy to quote this out for you. It depends on the size of the tractor. The cost can then be calculated into one easy monthly payment. Or if you prefer, an annual payment program can be set up to line up with your cashflow. In the one payment would be the tractor finance, the extended warranty and the prepaid service program.

**#FROM ONLY**  
**\$2400/MONTH**  
**ON MAXXUM 125**

So get in to your nearest TTMI branch and talk to one of the sales team about making your next tractor purchase easier.
