

CONSIDER A CAREER AS A DIESEL MECHANIC

EARN AS YOU LEARN WITH TTMI & CASE IH

VICTORIA

TASMANIA

- Certificate III in Agricultural Mechanical Technology
- Practical on the job training
- TAFE Training at Riverine TAFE Campus Wagga Wagga
- Living away from home allowance during training, including free transport* and accommodation*
- Award wages
- Opportunity to work across 7 locations for a leading agriculture machinery dealer in Gippsland, Western Districts of Victoria and Tasmania

'This is great trade for those who like to be hands on, problem solve and complete detailed work. The TAFE training is fun and interesting, you get to work with great people and learn about different types of hydraulic, mechanical and electrical agriculture machines.'
